

iVisor AG for iPad 2

Features:

- Patented technology ensures that iVisor is 100% bubble-free upon installation.
- Utilizes new multi-layered structure for greater clarity and sharpness.
- iVisor can be washed and reapplied repeatedly.
- Surface treatment provides enhanced scratch and finger print resistance.
- High transparency ensures minimal impact to brightness.

advanced iPad 2 screen protector

Newly fitted for the iPad 2, iVisor AG is the next generation screen protector that has been expertly designed to protect your iPad 2's beautiful display while reducing annoying glare and smudging.

Utilizing Moshi's own proprietary technology, the iVisor is the only screen protector that is removable and re-usable and can be installed in seconds with absolutely zero bubbles, making it the easiest screen protector to install on the market today. The iVisor AG has been surface-treated to provide enhanced scratch protection, fingerprint / smudge protection, and anti-glare properties while still retaining clarity.
